Note

Shipping costs listed are estimates for these items only. If ordering other items at the same time (ie. From The Image Gallery) then all the items will all be bundled to make the shipping costs cheaper than shipping separately. If the shipping costs seem sometimes to be high from Toronto to your location, Please understand that the printing is done away from Toronto so there is a shipping cost from Toronto to the printer, from the printer to Toronto and then from Toronto to you as the total shipping cost.

Shipping costs can change dramatically due to fuel surcharges and parcel weight thresholds.
