

Cutout Prints Price (US Funds) List

All of the images on the first price list are 3D lenticular prints. These don't require 3D glasses or viewing aids to see the 3D effect. There are several sizes available. If a space is blank then that print size is unavailable for that picture. As these are custom items they can be shipped in about 30 days.

The second price list is for anaglyph prints. Anaglyph (red/blue) versions can be shipped right away. A pair of anaglyph glasses is included.

All prices include doing the artwork with your cutout included.

To order cutout prints or if you have questions, contact us at info@snap3d.com or Tel: 416-690-0377

We don't have a shopping cart system.

Canadian customers can pay in Cdn funds if they wish.
